

Buro Enso (Project).

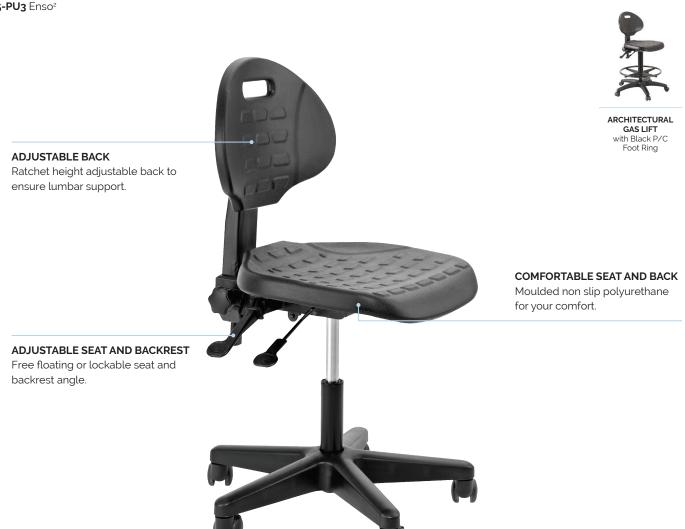

Buro Enso.

Functional and comfortable.

Boasting a non-slip and easy to clean surface, the Buro Enso is the ideal chair for sterile and harsh environments. This task chair features an adjustable moulded PU back and seat, and comes with both standard and architectural gas lifts. It's widely used as a student chair, architect or drafting chair and laboratory or medical chair.

Quality Assurance and Accreditations.

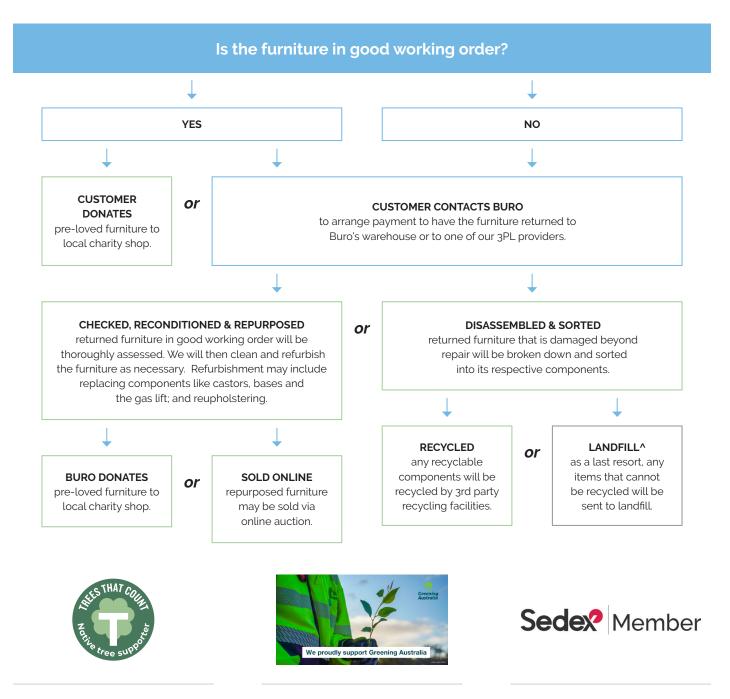

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support Greening Australia.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
