Konfurb Sense Chair

The award-winning Konfurb Sense is an ergonomic and sustainable office chair, undercover. Manufactured from 100% recycled plastic. It's sleek lines encase a flexible, dual-sided lumbar support, while the adjustable features slip quietly into this distinctively smooth profile. The synchro mech technology gently tilts the seat and backrest in response to the body's natural movements, increasing mobility while sustaining postural support throughout the day.

Key Features & Benefits.

Sense Everyday Models

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand.

^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
