Konfurb FLX.

Colour & functionality

The Konfurb FLX chair is a versatile folding chair that provides the perfect seating solution for modern education environments, workspaces or events. With its tip-up seat design, the chair can be easily stacked horizontally to save space when not in use. Its back rest features cutout slots that enhance its visual appeal as well as provide efficient airflow and cooling. The chair is constructed with a sturdy four-leg design and strong frame to withstand the rigours of daily use. Choose a silver or white powdercoated frame and complement with a range of colour options for the polypropylene seat and seat pad fabric, for a customised look.

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.

*Qualifying furniture must be Buro branded product (Buro Seating, Konfurb, Mondo), or a partner exclusive brand.

^Many of our products are GREENGUARD certified for safe emission levels. This reduces the environmental impact when sending any components to landfill.
