Konfurb Loop

5 Star

The Konfurb Loop is a playfully innovative office chair designed by Martin Ballendat. Showcasing an organically contoured shell backrest that descends to fuse beneath the seat, framing the user within an artistically sculpted loop. Crafted for dynamic workspaces, the chair features a 5 star base with castors and a height-adjustable tilting mechanism, allowing seamless movement to adapt to a range of tasks. Choose between a white or black frame and customise the seat pad with your preferred colour. Ideal for meeting rooms, collaborative hot-desking, educational spaces and home offices.

Quality Assurance and Accreditations.

Buro Product Stewardship Programme.

We encourage repurposing and recycling of pre-loved office furniture to reduce our impact on the environment. When a customer has Buro furniture* that they wish to dispose of, we apply the following steps to determine the most appropriate method.

To mitigate our CO2 footprint over the next 50 years, we're working with **Trees That Count**, a conservation charity dedicated to planting native trees.

By funding the planting of native trees, we're supporting efforts to increase biodiversity across New Zealand.

Buro proudly support **Greening Australia**.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years.
